

YEAR 3 - Spring Term 2026 CONFLICT

Pupil voice plays an important role when planning the activities for our contexts here at Rhydypenau and we actively follow the many creative and imaginative ideas generated by our pupils. As part of the new Curriculum for Wales, we ensure that all learning experiences aim to support our children in becoming:

1. Ambitious, Capable Learners - ready to learn throughout their lives.
2. Enterprising, Creative Contributors - ready to play a full part in life and work.
3. Ethical and Informed Citizens of Wales and the World.
4. Healthy, Confident Individuals - ready to lead fulfilling lives as valued members of society.
