Updates

- A huge thank you to all the families and staff who made the Eid Community Event a huge success. It was wonderful to see so many members of the school community celebrating together. A special thank you to the businesses, parents and the PTA who donated food and who helped set up the event. Without your support, we wouldn't be able to make these events such a success.
- Following recent feedback from many of you regarding the busy summer schedule, we have decided to **cancel the Family Fun Day** previously scheduled for July . We understand that families have many commitments at this time of year, and we want to ensure our school events remain manageable for everyone. However, we know how much our pupils and families enjoy a bit of healthy competition! We are therefore delighted to announce that we will be introducing a Parent Race at our Sports Day. We hope this addition will bring an extra element of fun to our traditional Sports Day and give our parents a chance to get involved in the spirit of the event.
- As we are now in the final term of the academic year, we know how important it is for families to be able to plan ahead for the various celebrations and milestones marking our Year 6 pupils' transition to secondary school. We have now updated our Events List with confirmed dates and times. Please see the updated schedule available on the website and accessed through the link provided below. We have made every effort to provide these dates as early as possible to assist with your planning and work commitments.
- The Sustainability Shop has been working hard to replenish stock for the Summer Term and now have a variety of summer outfits available.
